AMIZITION MEDIA

# BUSINESS ITEM

## ▷ Self-made

We have an in-house studio with lots of experience in working on cartoons.

So we produce webtoons and web novels in various genre including romance, fantasy, drama, mystery, all by ourselves.

## ▷ Collaboration

We produce webtoons by collaboration with artists. Artists can some of plan, continuity, line drawing, coloring, editing. Artists can some of them and we do the others.

It makes reduce the artists' amount of a work, and provide a better work condition. It can help the artists make the many titles and high-quality contents, obviously.

## ▷ OSMU

One Source Multi Use. It means IP Extension. Using the existing webtoons and web novels, We produce other contents such as web novels, webtoons, video, drama, games.

We always welcome the proposals from partners who are interested.

**WEBTOON**
